

Referral form for Group Allied Health Services under Medicare for patients with type 2 diabetes

		,	
Note: GPs can use this form issued by the Department of Health or one that contains all of the components of this form.			
PART A – To be completed by referring GP (tick relevant boxes):			
Patient has type 2 diabetes AND either			
GP has prepared a new GP Management Plan (MBS item 721) OR			
GP has reviewed an existing GP Management Plan (MBS item 732) OR			
for a resident of a residential aged care facility, GP has contributed to or reviewed a care plan prepared by the residential aged care facility (MBS item 731) [Note: Residents of residential aged care facilities may rely on the facility for assistance to manage their type 2 diabetes. Therefore, residents may not need to be referred for allied health group services as the self-management approach may not be appropriate.]			
Note: GPs are encouraged to attach a copy of the relevant part of the patient's care plan to this form.			
Please advise patients that Medicare rebates and Private Health Insurance benefits cannot both be claimed for this service
